As a Leadership Long Beach '30th Anniversary Experience,' **Putt-Putt in the Knolls** was held on **Thursday, September 20** in **Bixby Knolls**. With the assistance of the **Bixby Knolls Business Improvement Association** and sponsorships by **Long Beach Transit** and the **Long Beach Airport**, the 'wacky and fun' miniature golf tournament had golfers putting at the unique and imaginative golf holes created at 20 business locations. Participants visited a variety of shops, restaurants, bars and businesses while having fun golfing during the evening. Businesses impressed the players with their creative putting greens and golf holes as they provided light snacks and beverages to players.
