Leadership Long Beach's "Amazing Race"

To jumpstart their 10-month principled leadership program, the **Institute Class of 2019** participated in the "LLB Amazing Race." **Yellow Cab Long Beach** sponsored a half-day exploration/road race to locate landmarks, businesses and interesting sites around the city. With the help of LLB alumni chaperones and the safe and expert driving skills of Yellow Cab drivers, the class members explored and learned about the diverse neighborhoods, economies and interests that make up Long Beach.
